Advertisement for the Post of Project Scientist & Project Assistant

Advt. No. Recruitment/CU/2022/18

Dated: 26.10.2022

It is proposed to hold Walk-in-Interviews for filling up two temporary positions of one Project Scientist and one Project Assistant under the SERB Distinguished Fellowship Project (May 2018-April 2023). The Project is entitled 'Advancing the Predictability of Indian Summer Monsoon on Seasonal to Decadal Time Scales' and involves application of theoretical and analytical methods to observations and climate model simulations to unravel processes governing the predictability of the Indian monsoon. The appointments are going to be rather short-term appointments as the Project is coming to an end by April, 2023. The selected persons are expected to work on short-term research projects and in the process learn about some exciting aspects of Climate and its Variability.

Walk-in-Interview

Department of Physics, Cotton University

Date : 15th November, 2022

Time: 10:00 am

Name of the Posts:

(1) Project Scientist (one)

Eligibility: Ph.D in Physics or Atmospheric or Oceanic Sciences. Proficiency in numerical computation and large data analytics is expected.

(2) Project Assistant (one)

Eligibility: Masters in Physics with Atmospheric Science. Proficiency in numerical computation and large data analytics is desirable.

Interested persons are requested to send their Biodata including research publications, if any and short write up on their research project either during Ph D or M.Sc to Prof. B. N. Goswami , Investigator of the Project at bhupengoswami100@gmail.com and appear in the Walk-in-Interview on 15th November, 2022.

B. N. Goswami
